

Attention:
 Monex Boom Securities (H.K.) Limited (Our Company) does not provide physical delivery services for commodity futures contracts. Thus, if client holds any long position(s) on "commodity futures" that requires physical delivery, client needs to close out or roll over the long position(s) on "3 trading days before first notice day" or "3 trading days before last trading day" (whichever is earlier), otherwise our company will force close the long position(s) on "2 trading days before first notice day" or "2 trading days before last trading day" (whichever is earlier). If client holds any short position(s) on "commodity futures" that requires physical delivery, client needs to close out or roll over the short position(s) on "3 trading days before last trading day" , otherwise our company will force close the short position(s) on 2 trading days before the last trading day.
